

Vital Saw Palmetto 4600

Saw Palmetto (*Serenoa repens*) helps maintain a healthy prostate. It is known to help balance and support normal male physiology and function and may assist in the management of medically diagnosed benign prostatic hypertrophy.

General Information

Assists in supporting the function of the prostate gland.

Used in the treatment of enuresis (involuntary urination).

Saw Palmetto acts directly on the prostate in cases of enlarged prostate to reduce pain and inflammation associated with enlarged prostate.

Is useful for urinary tract disorders.

Therapeutic dose

320 mg of a 90% free fatty acid extract once per day.

Directions for use

Take 1 capsule twice daily or as otherwise directed.

Contains

Herbal extract equivalent to dry *Serenoa repens* (Saw Palmetto) fruit 4.6 g providing: Fatty Acids 143.75 mg.

Free From

Artificial flavours, preservatives, gluten, lactose, yeast, added sugars, starches, dairy products and egg.

Warnings

If symptoms persist, seek the advice of a healthcare professional.
